We Have The Pleasure Of Offering For Sale This Limited Edition Wrangler "TR2" Which Is 1 From A Limited Run Of Just 75 Vehicles !!! The "TR2", which Was Introduced In Timed to Coincide with the Release of the Second Tomb Raider Film (TR2) " The Cradle of Life ", Had A Limited Run Of Just 75 Vehicles. I Have Owned This Particular Vehicle For Nearly 3 Years, Of Which It Has Spent Most Of The Time In The Portuguese Algarve. On The Return Journeys, Which Took In Ireland, England, France, Spain And Portugal, It Performed Faultlessly And Was Fantastic Fun To Drive. It Has Covered 70,000

Miles With A Comprehensive Service History, Comes With 3 Keys
And Has A Full MOT.

Based On The Same Specification As The Wrangler Sport, The "TR2"
Was Given The Limited Additional Spec Of 15" Ecco Alloy Wheels
And A 7 Speaker CD Sound System. It Was Available In Two Colours,
Khaki Green Metallic Or Intense Blue Metallic, With This Example
Being Of The Latter. It Has Power Steering, Air Bags, ABS And The

Simplicity Always Was Of The Utmost Importance And These Jeeps
Are Extremely Capable Off Road Taking You Almost Anywhere You
Need To Go. There Has Been An LPG Kit Fitted And I Have The
European Connector For Filling Up Abroad. The Tank Would Be
Easily Removed If Preferred As Apart From It, This Jeep Is
